Why Speculate In Fluctuating Stocks?

It is often risky business to speculate in stocks that fluctuate. They may advance a little one day, and take a big drop the next. An account with the Wells River Savings Bank assures safety for every dollar and a fair interest yield.

WELLS RIVER SAVINGS BANK

WELLS RIVER, VT.

Is Your Money Helping This Community?

New Banks and new schemes, paying high rates of interest have lately been shown up in their true character as regards security and the integrity of their officials.

Your home Bank can and does pay you a fair rate of interest and you can call on the principal when you need it.

These funds are passed along to local business men and industries to help development and keep our workers employed.
